

This Agreement ("Agreement") governs the relationship between the Client and Royal Forex Trading SAL (RFXT) with respect to the RFXT Futures account ("the Account") and should be signed in conjunction with the Agreement for Trading Operations. All terms not specifically covered in this Agreement are indicated in the Agreement for Trading Operations, and in case of discrepancy this Agreement controls. The opening of an RFXT Futures account is necessary in order to subscribe to and use an RFXT Futures Platform.

RFXT account number:

Hereinafter referred to as "the Client" on one part, and Royal Forex Trading SAL hereinafter referred to as "RFXT" on the other part,

Represented by:

First name *Last name* *Title*

and,

First name *Last name* *Title*

It has been mutually agreed upon the following:

The Client hereby wishes to subscribe to an RFXT Futures Platform and asks RFXT to open under the Client's name the following RFXT Futures account.

"RFXT Futures" account number:

The Client authorizes RFXT to deduct the applicable monthly RFXT Futures Platform subscription fee. This fee is levied once a month for the entire month regardless of the date on which the Client has subscribed to the RFXT Futures Platform. In case the Client wishes to terminate the RFXT Futures Platform subscription, the Client agrees to notify RFXT in writing at least 10 days prior to the requested month of termination. The Client understands that failure to do this will result in the Client being charged for the next entire month.

The Client agrees that RFXT has the right to change the fees and commissions related to the Client's RFXT Futures account (including, but not limited to, commissions, RFXT Futures Platform subscription fee, interest rates applied on balances, etc...) at any time and without notifying the Client of any such changes.

The Client acknowledges that he/she has been extensively explained and has fully understood the proper use and all the functions of the RFXT Futures Platform for which he/she has subscribed to and agrees not to hold RFXT responsible for any errors occurring as a result of the Client's using the platform. The Client acknowledges his/her familiarity with the general procedures of the markets offered by the RFXT Futures Platform and assumes responsibility for his/her trading in accordance with the relevant rules of the market to which the orders are directed (rules regarding, among other things, trading hours, bidding and offering, types of orders accepted, etc...). In addition, the Client acknowledges that a variety of factors (such as, among other things, exchange policies, the trades or actions of other market participants, system delays or failure, etc...), may cause the Client's orders to be delayed, not executed at the best posted price or simply not executed at all, and agrees not to hold RFXT liable should these occur.

Electronic and computer-based systems such as the RFXT Futures Platform are inherently vulnerable to disruption, delay or failure and such systems may therefore be unavailable to the Client for an unforeseeable period of time. As a result, the Client agrees not to hold RFXT liable in the event of such occurrences and RFXT shall not be held responsible for any trading loss resulting thereof. In the event the RFXT Futures Platform is unavailable, the Client agrees to maintain an alternative trading arrangement by directly placing orders by phone through RFXT's trading desk. The Client agrees that any order placed through RFXT's trading desk by phone might be subject to an additional fee, which will be determined on a case-by-case basis.

In addition, the Client understands that RFXT is unable to know whether someone other than the Client has entered or is entering orders using the Client's username and password. The Client is therefore ultimately responsible for the trades entered with his/her username and password. The Client understands that the exchange data feed provided by the RFXT Futures Platform is done so without warranties of any kind, and as a result agrees that RFXT is not responsible for the accuracy, timeliness and completeness of the exchange data feed or for any decision made by the Client in reliance upon such information.

The Client understands that trading on margin involves a high degree of risk and may result in a loss of funds greater than the amount the Client has deposited in the Account. The Client's margin transactions are subject, at all times, to the initial and maintenance margin requirements established by RFXT. It is the Client's responsibility to inquire about the initial and maintenance margin levels applicable to the Client's Account. The Client should know these parameters at all times, since RFXT may modify margin requirements for open and new positions, at any time, and without notifying the Client of any such changes. The Client shall maintain, without notice or demand from RFXT, a sufficient Account balance at all times to continuously meet the margin requirements.

The Client understands that RFXT may reject any of the Client’s orders if the Client does not have a sufficient Account balance to meet margin requirements as determined by RFXT, and may delay the processing of any order while determining the correct margin status of the Client’s Account. The Client also understands that the placing of an order, whose execution will result in the initiation of a new position, will increase the Account’s margin requirements.

Should the Client’s Account balance fall below the maintenance margin required on the Account, RFXT shall have the right, but not the obligation, to liquidate all or any part of the Client’s positions in any of the Client’s accounts with RFXT, whether carried individually or jointly with others, at any time and in such manner and in any market as RFXT deems necessary, without prior notice or margin call to the Client. The Client understands that RFXT has no obligation maintenance margin requirement prior to exercising RFXT’s rights under this Agreement, and further agrees to be responsible for any shortfall remaining in the Client’s Account after such liquidation.

The Client acknowledges and agrees that RFXT deducts fees and commissions (including, but not limited to, commissions, RFXT Futures Platform subscription fee, interest rates charges, etc...) from the Client’s Account and that such deductions may affect the amount of equity in the Client’s Account to be applied against the margin requirements.

The Client acknowledges that he/she has been informed about all fees and trading information related to the use of the RFXT Futures Platform. These include, but are not limited to, commissions, RFXT Futures Platform subscription fee, margin requirements, and markets rules and procedures.
